Professional Summary

Strategic and results-driven Performance Marketing Specialist with 2.5+ years of experience managing multi-channel paid media campaigns across Google Ads and Meta Ads platforms. Proven ability to drive measurable growth through full-funnel strategy, continuous optimization, and data-led decision-making. Adept at transforming business goals into actionable performance roadmaps while enhancing ROAS, reducing CPA, and scaling acquisition efficiency.

Professional Experience

Performance Marketing Executive | WPP Media Pvt. Ltd.

June 2025 – Present

Key responsibilities:

- Planned, executed, and optimized high-budget performance marketing campaigns on Meta Ads for a leading quick-commerce app, driving app installs, in-app conversions, and user retention.
- Managed large-scale daily budgets while maintaining efficiency across key metrics such as CPI, CAC, and ROAS, ensuring scalable and sustainable growth.
- Structured and optimized app install and app event campaigns using SDK-based tracking to improve user acquisition quality and post-install performance.
- Collaborated with internal strategy, analytics, and client stakeholders to align media execution with broader business and growth objectives.

Digital Marketing Analyst | Grank Digital Services Pvt. Ltd.

December 2023 – June 2025

Key responsibilities:

- Designed and executed performance-driven digital marketing strategies tailored for real estate clients, resulting in a 20% increase in lead generation.
- Regularly monitoring campaign performance metrics and analyzing data to identify trends, insights, and optimization.
- Managed high-budget campaigns on platforms such as Facebook Ads & Google Ads, achieving a 25% improvement in ROI.

Achievements

- Spearheaded a real estate campaign that generated 1,000+ qualified leads within three months.
- Improved campaign ROI by 25% through targeted strategies and in-depth analysis.
- Optimized CAC for Zepto Grocery and Rider apps by improving audience quality and conversion efficiency.

Junior Digital Strategist | Valueleaf Services Pvt. Ltd.

April 2023 – November 2023

Key responsibilities:

- Managing and Optimizing paid media campaigns across multiple DSP Platforms.
- Overseeing client projects and delivering exceptional results..
- Working as a POC for In-house platform Whistle Feed
- Developed and executed social media strategies, driving brand awareness and client satisfaction.
- Collaborate sales and marketing teams to align marketing efforts with business objectives.
